

Special Edition "Capital for Communities"

Advertising Rate Schedule

making waves

canada's community economic development magazine

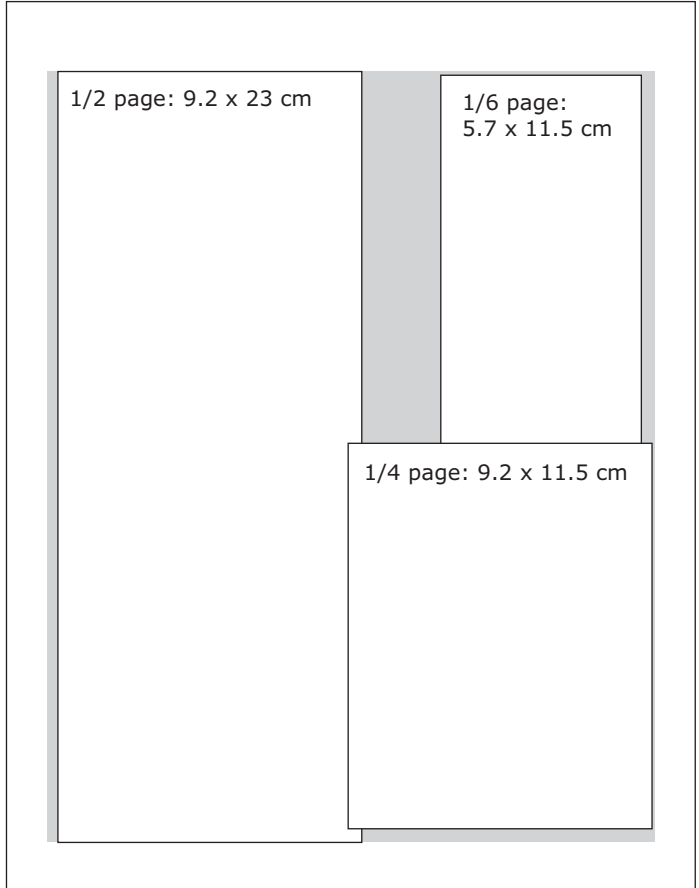

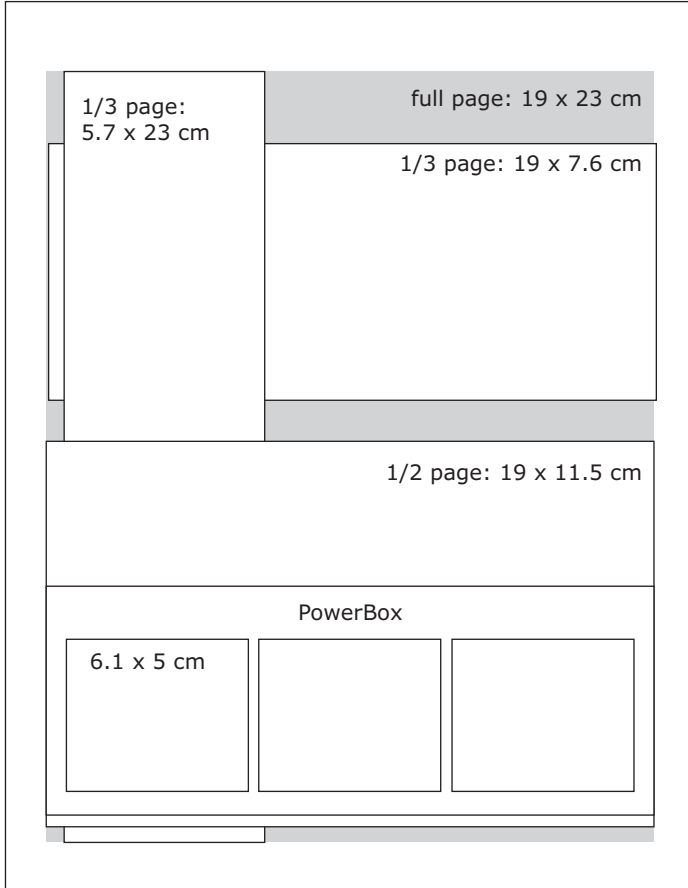

1/12 page (PowerBox).....	\$115.00
1/6 page	160.00
1/4 page	200.00
1/3 page	320.00
1/2 page	400.00
full page.....	760.00
back page.....	660.00

Rates apply to camera-ready material, submitted by client and suitable for b/w reproduction (150 line screen). Encapsulated Postscript (*.eps) or *.tif format preferred. Options for bleeds and (on back cover) spot and full colour are available. For just 10% of the list price we will also design the ad for you; all you do is supply the desired text and imagery. Customer approved before printing. Rates net of taxes and subject to change without notice. Terms: 60 days credit upon approval.

The Autumn/Winter 2009 Special Edition of **making waves** will be distributed in both a French- and an English-language version. Every advertisement will appear in both.

making waves (ISSN 1192-2427) has published quarterly by the Canadian Centre for Community Renewal (Port Alberni, B.C.) since 1991 to discuss the principles and practice of economic development that is expressly geared to rebuild the hope, pride, and power of endangered or deteriorating communities. It is a magazine by and for community economic development (CED) professionals and activists.

Editor: Mike Lewis ~ managing editor: Don McNair
